Student Information

Welcome to Western Roadtrain Driver Training (WRDT). The following information is provided to assist students through the processes within our Registered Training Organisation (RTO). We aim to provide you with a quality outcome for the investment you have made into your future.

Western Roadtrain will provide you with personal tuition (driving lessons) and assess your capabilities against the **TLIC4006 Drive Multi Combination vehicle** unit of competency.

Recognition of Prior (RPL) learning is available upon request.

Once assessed as competent, WRDT will issue you with a Statement of Attainment for the unit of competency. This will then qualify you to apply for a Multi Combination Vehicle Driver's License. In addition, the unit of competency can also be used as credit towards other nationally recognised qualifications.

If you have any queries, we encourage you to contact us. We are here to help you achieve your goals.

Enrolment Process

Once you have determined that you are ready to commence your training with Western Roadtrain, we will forward you an Enrolment Form to complete. Included in this communication will be other relevant information such as the need for a USI (Unique Student Identifier) number, a HC learner's permit, and evidence of you having a HR or HC Class driver's license.

The enrolment process is necessary so that Western Roadtrain can include your required information in the required data reporting about student participation and outcomes for Vocational Education and Training.

Completed enrolments forms should be forwarded to us and it is a requirement that you pay your fees prior to commencing the program. Given that your program involves the driving of a vehicle (a truck), you will need to provide a current drivers licence and agree to not use drugs or alcohol in the 24 hours prior to participating in driving activities.

Fees, Charges, and Refunds

Full detail of our fees charges and refunds are provided on the enrolment form and in our policy documents.

Fees are required to be paid at the time of booking. Students can pay by electronic funds transfer or cash. If the fees are being paid by an employer, students must have authority from them to enroll under 'Employer payment' options and provide details of the employer's name, contact details, and address for payment processing.

- Statements of Attainment will not be issued until such time as all fees have been paid in full.
- Invoices will be issued for all Nationally Recognised Training programs, setting out the components of the fees (where costs other than course fees are charged). GST is not payable on Nationally Recognised Training program course fees or education materials.

Refunds will be paid to students according to the following schedule:

- 100% refund - Should WRDT cancel the delivery of services
- 90% refund – Cancellation for any reason, outside of 7 days.
- 00% refund - Cancellation for any reason, inside of 7 days.
- Any courses or lessons being booked in within 7 days will require attendance otherwise you forfeit all fees.
- If you started you training but you are not ready for your test, we can postpone it and you will keep your test entitlement for when you are ready. However, the test fee is not refundable.
- Variations to these refund conditions may be made by the Director where exceptional circumstances occur.
- All refunds will be processed within 5 working days of the advice of withdrawal, using the same method for refund as was used for payment (i.e., credit card to credit card etc.).
